Notice on the opening of the JP Tower Museum INTERMEDIATHEQUE

On March 21, 2013, the Intermediatheque (IMT), a new academic and cultural institution jointly run by Japan Post Co. Ltd. and the University Museum, the University of Tokyo, has opened within the JP Tower in the Tokyo Station Marunouchi district.

On this occasion, we have edited a pamphlet presenting the key museum data and project information, as well as the general concept introduced by director Yoshiaki Nishino. It is available in PDF format, both in English and in Japanese.
